SUMMARY

Marketing and brand leader with ten years building brands, campaigns, and large-scale experiences as a founder, and C-suite experience at a technology startup. Produced global conferences of up to 12,000 attendees across four continents — negotiating venue, catering, and banquet-scale F&B contracts and directing programming, A/V, and multilingual production teams. Line-producer discipline in budgeting and forecasting; creative-producer command of brand storytelling for national brands including Hotels.com, PopSockets, and Xfinity. Proven builder and mentor of multilingual teams of 30+.

EXPERIENCE

Fractional CMO & Marketing Consultant / Founder — *Fronz*

June 2026 – Present

- Relaunched my agency as a fractional CMO practice; primary offer is driving customer discovery through AI-powered owned content and online consensus optimization.
- Advise client companies on brand positioning, market segmentation, go-to-market strategy, and lifecycle marketing architecture.
- Deliver scoped engagements building complete marketing systems designed to be handed off to internal teams.

Chief Marketing Officer & Chief Product Officer — *Moxa Money (fintech startup, co-founder)*

October 2024 – July 2026

- Co-founded Moxa Money, a finance app for entrepreneurs and small business owners — unifying traditional bank accounts, self-custodial crypto wallets, and centralized exchanges into a single budgeting experience; held the CMO and CPO seats jointly, with each function built as the product developed.
- Led market research, segmentation, and product strategy for the SMB and entrepreneur audience — a B2C product with a B2B buyer's decision journey; drove the legal and financial build-out, including pricing architecture and vendor negotiations with Plaid.
- Owned annual plans, budgets, and forecasts at the executive level; designed the app's UI/UX for users operating across traditional and crypto financial rails.
- Developed the application and shipped working demos to the App Store and Play Store; built the brand positioning and launched the website (moxa.money).
- Designed and built a complete lifecycle marketing system — 12+ automated campaigns across email, push notification, and in-app messaging — with dashboards tracking product engagement and marketing KPIs.

Executive Producer, Global Conferences — *She's the Frons Productions*

April 2022 – October 2024

- Key organizer and producer of the two largest Devcon conferences ever held — Bogotá, Colombia (7,000 attendees) and Bangkok, Thailand (12,000 attendees) — as lead contractor to the Ethereum Foundation; produced events across four continents for clients including Protocol Labs.
- Lead Event Organizer for the MCON conference, running it end to end alongside the founding consultant: venue selection and negotiation, programming, sponsorship sales, and attendee acquisition.
- Negotiated venue, catering, and banquet-scale F&B contracts with international properties, alongside furnishings, event design, and extensive A/V production agreements.
- Managed departmental event budgets of \$300k+, owning forecasts and delivering on or under budget in international markets.
- For MCON specifically, owned ticket sales strategy and sponsorship solicitation, driving advance-booking volume in the months leading up to the event.
- Directed scheduling, speaker and vendor coordination, programming, A/V, and marketing/branding/social, with scope varying by event.
- Directed live social media coverage and post-event video production, turning each conference into a year-round content and marketing engine.
- Recruited and led cross-functional multilingual teams of 30+ across production, marketing, and logistics in multiple countries.

- Founded a full-service production and storytelling agency; sustained profitability for six years on repeat business and industry referrals. Produced advertising campaigns for national brands including PopSockets, Xfinity, Hotels.com, Nite Ize, and Mountainsmith — as agency of record for direct clients and as freelance line producer within larger productions.
- Developed and delivered sales presentations for direct-client engagements, owning proposal, negotiation, and close.
- Line produced campaigns end to end: built and managed production budgets of \$100k–\$250k and staffed crews of up to 30+.
- Negotiated and managed vendors including venues and sets, catering, insurance, and client creative approvals.
- Creative produced brand campaigns, translating client market positioning into narrative, casting, and visual identity.
- Recruited, hired, and supervised production teams; developed junior crew into department leads across repeat productions.

EDUCATION**Berry College** — B.A., Government · GPA 3.78

Graduated 2013
